

## "GRAND OLD LADY" OF GEORGIA IS STAR AT SENATE SESSION

### Mrs. W. H. Felton is Given Ovation in Senate Chamber

(By The Associated Press)  
WASHINGTON, Nov. 20.—Georgia's "Grand Old Lady," Mrs. W. H. Felton, first woman senator, was the star member of the cast in the opening scene today of the convening of congress. Her effort to be sworn in until tomorrow but in all other respects she enjoyed a thrilling debut. There was good prospect tonight that success would crown her hope of taking the oath tomorrow and becoming the first woman senator in the fact as well as name, if officially for a day.

The 87 year old woman was all but an actual senator occupying a seat on the senate floor for hours where she was cheered by the gallery crowds and was the object of congratulation at informal receptions.

She was feted also by crowds about the senate and was photographed and dined. Tired but happy tonight she was prepared to renew tomorrow her plea for an official seat.

Of all senators, past, present or future, Mrs. Felton was the first to appear today on the floor.

Accompanied by former Senator Smith of Georgia and wearing a black bonnet, fur coat and white gloves, she arrived more than an hour before the noon convening hour. Soon she was "at home," hanging up her bonnet and coat in the Democratic cloak room.

Shaking out her silk dress and lace collar she was given a chair beside Senator Harris, Georgia, and was the cynosure of all eyes.

Gallery crowds, largely composed of women, cheered the white-haired woman as she was escorted to an ante-room to receive a huge bouquet of 87 red roses. Again the crowd broke in to a noisy demonstration as she returned to her seat where she watched each move intently through her lap rolled in brown paper she held her commission as a senator received two months ago by appointment upon the death of Senator Thomas E. Watson.

Mrs. Felton was received by Vice-President Coolidge and she met nearly all senators, Republicans and Democrats as well as officials and pages.

No disappointment was manifested by Mrs. Felton when told that no new senators could be sworn in today, she apparently grasping quickly what many veteran senate leaders for several days had forgotten that the senate had to be officially notified of the death of a senator before his successor could be received. And in accordance with the unbroken precedent the senate adjourned immediately out of respect when informed of the death of Senator Watson, putting over the receipt of all new senators until tomorrow.

Walter F. George her successor tonight reiterated that he would adhere to his program of giving Mrs. Felton an opportunity to be sworn in and sit for a day. Senate leaders said with the prospect that no objection to this program would be offered it appeared that Mrs. Felton would be allowed to take the oath tomorrow and retire on Wednesday when Mr. George would appear officially.

### SHOULD TREAT DRUG ADDICTS AS PATIENTS

Philadelphia, Nov. 20.—Treatment of the drug addict as a patient rather than as a prisoner was urged today by speakers at the National convention of Police and Fire Surgeons. The delegates agreed that present methods of handling victims of habit forming drugs were antiquated.

## CONSIDER MANY CANDIDATES FOR NEWBERRY'S SEAT

Governor Goresbeck is Scanning Qualifications of Candidates

(By The Associated Press)  
DETROIT, Mich. Nov. 20.—Senatorial qualifications of no fewer than a dozen men prominent in the public life of Michigan were being scanned today by Governor Goresbeck, seeking a successor to Truman H. Newberry, who Sunday resigned as senator.

The governor meanwhile announced he intended to withhold a decision until all interested parties have had opportunity to be heard and that he did not propose to have Michigan represented in the upper house of congress by a "figure head." In these words the governor took occasion to put at rest reports that he might appoint some one who could be counted upon not to seek re-election in 1924, so that the chief executive could make the race for senatorial honors.

"It has been said," the governor declared, "that I should appoint some one who will not run for re-election in 1924, so I could run myself. I will do no such thing."

The governor's own idea of the man required for the post is that he should have the confidence of the public, he said.

"He should be something besides a mere dispenser of patronage," he added.

Altho the governor declined even to intimate who had been under consideration names most prominently heard today were those of Charles B. Warren, American ambassador to Japan; former Senator William Alden Smith of Grand Rapids; W. W. Potter, state fuel administrator and John H. W. Wayne county Republican leader. Later today another name was advanced, that of Marion Le Roy Burton, president of the state university.

Mayor James Couzens of Detroit, also was drawn into the speculation today. State Senator Herbert F. Baker and Representative Patrick Kelley, unsuccessful candidate in the recent primary, were being prominently mentioned.

## MAN FROM SWEDEN PURCHASES STREET CAR

(By The Associated Press)  
SECAUSCUS, N. J., Nov. 20.—When a trolley car of the public service corporation passed thru here on its way from Passaic to Hoboken today a tow-haired six footer swung aboard and casually informed the conductor:

"You can turn over the fares to me. I just bought this car."

After a short but decisive argument the passenger arose from the mud beside the track and sough the police. He said he was Al Jansen, a recent arrival from Sweden. He carried his savings with him, he said, so he was able to pay cash when a prosperous looking stranger who sat beside him on the same car offered to sell it to him for \$100. The stranger told Jansen he had cleaned up \$200,000 on the eight cent fare basis. They got off here to complete the deal. The stranger then disappeared after directing Jansen to board the car on its return trip and just tell the conductor he was the new owner.

## MISS GOLDMAN IS DISCHARGED

(By The Associated Press)  
CHICAGO, Nov. 20.—Miss Lillian Goldman of Rockford, Ill. charged with violation of the Harrison, narcotic act, was discharged today by United States Commissioner Glass when federal Narcotic Agents failed to appear at the hearing.

Assistant District Attorney Bodie, said the action before the commissioner would preclude testimony to the grand jury.

Miss Goldman and her mother, Mrs. David Goldman, and the family chauffeur, were arrested three weeks ago when it was alleged narcotics and hyperdemic needles were found in their automobile during a visit to Chicago.

Miss Goldman declares the narcotics were found in army belts which were among the merchandise purchased at Camp Grant by her father who conducts an army goods store in Rockford.

## WILL DISCUSS DAUGHTERY CHARGE

Washington, Nov. 20.—The impeachment charges against attorney general Daugherty will be discussed at the regular meeting of the house judiciary committee Thursday. Chairman Volstead said today. He indicated that the charges of Representative Kellar of Minnesota might be taken up next week, instead of after December 4, as originally planned.

## CHARGED WITH SELLING LIQUOR

Peoria, Ill. Nov. 20.—Investigation by school officials of Bartonville led to the arrest of Mike Torsch on a charge of selling liquor to boys today and he was held to the federal grand jury on a charge of violating the Volstead act.

## DRASTIC CHANGES IN PROHIBITION FORCES BEING CONSIDERED

### Shakeup Probable in Many States Among Them Illinois

(By The Associated Press)  
WASHINGTON, Nov. 20.—Drastic changes in executive and field personnel of the prohibition enforcement machinery are under consideration by Commissioner Haynes and other government officials it was learned today. In several instances the plans being considered call for a practical reorganization of existing forces from top to bottom.

Re-organizations already decided upon will result in new appointments to the high post in the enforcement bureaus of several states. It was indicated today. Officials here were not ready to announce details but it was learned that the shakeup will be especially pronounced in New Jersey, Maryland, Illinois, Wisconsin, Indiana, Massachusetts and Pennsylvania.

Designed to meet recent specific criticism of dry enforcement the plans are declared by prohibition officials to have been formulated prior to the communication recently made by a federal grand jury in New York to the presiding judge of the federal court there altho they include steps to counteract the weakness which is alleged to have resulted from wholesale political appointments in the subordinate ranks.

Reports that important changes had been approved for the units in Wisconsin and Illinois could not be confirmed today but it was indicated that an official announcement affecting important posts in both states might be expected this week.

## LABOR DEPARTMENT TO PROBE STRIKE

(By The Associated Press)  
WASHINGTON, Nov. 20.—Four representatives of the department of labor were ordered today to the bituminous coal fields in Somerset county Pennsylvania where from 40,000 to 50,000 workers still are on strike. The orders went out from the department after a delegation representing the strikers had called there.

This delegation called also at the white house to ask President Harding to call a conference of spokesmen for the strikers and operators with a view to ending the strike. They were unable to see the executive but said they would return tomorrow.

The men it was stated were left out of the coal settlement made last August. They are employed in former non-union fields which were organized during the strike and Mr. Mark said this was an issue.

## WITNESS MAKES SENSATIONAL CHARGE

(By The Associated Press)  
OKMULGEE, Okla., Nov. 20.—The sensational charge of James Hepburn, Okmulgee county court attorney that Governor I. B. A. Robertson of Oklahoma had pardoned a convict from the state penitentiary to kill Hepburn at the state executive's coming trial on a charge of accepting a bribe, was not developed in district court today.

Hepburn had announced his intention of going on the witness stand to relate the basis of his charge, but a move of the governor's attorneys challenging the jurisdiction of the court to act on the county attorney's motion to quash a charge of venue granted the governor here last week, prevented Hepburn from testifying.

## MILLSAUGH TO GET NEW POSITION

Washington, Nov. 20.—Frank C. Millsaugh, Republican, representing the first Missouri district in the house said tonight he had decided to resign and expected to vacate the seat early in December to take the post of commissioner of finance for Missouri.

Mr. Millsaugh who was defeated for re-election, was the first Republican to be elected in the first Missouri district since 1896.

## FARMER FOUND CRUSHED TO DEATH

Peoria, Ill. Nov. 20.—William Geesman, 40, a farmer living three miles north of Fairview was found crushed to death beneath a wagon load of corn at 7 o'clock tonight. He had left his home this morning to drive the corn to market. Indications are that the wagon skidded and turned over.

## RESERVES DECISION ON STILLMAN APPEAL

New York, Nov. 20.—The appellate division of the supreme court today reserved decision on the appeal of James A. Stillman from the decision of supreme justice Seeger, refusing to upset Justice Morschauser's decision in favor of Mrs. Ann U. Stillman and Baby Guy.

## When Scotland Yard Was Fooled

This disguise proved too much for the best detectives of London. It was adopted by Albert Close who had been forbidden to attend the meeting of the Commission on Awards to Inventors. Close is an inventor and detectives were stationed at the doors of the building to see that he did not appear. Disguised as above, he marched through the line of police. Then came the coup de theatre when he removed the whiskers and addressed the commission.

## Sixty Seventh Congress Opens

(By The Associated Press)  
WASHINGTON, Nov. 20.—The sixty seventh congress formally opened its doors at noon today for the third session but did little more than actually get on the job. Its life as a special session will be only two weeks but it is the hope of President Harding that substantial progress would be made on the administration's merchant marine legislation and considerable advance work done on the annual supply bills which must be handled in the regular session beginning on December 4.

Historic customs of the opening of a new session were reenacted today and the regular preliminaries were gone thru in brief routine meetings. Adjournment followed as a mark of respect to the late Senator Watson of Georgia and the late Representative Nolan of California.

The president has arranged to address a joint session tomorrow in behalf of the shipping bill. His message is expected to be delivered at 12:30 o'clock.

The senate adjournment postponed until tomorrow, the effort of Mrs. W. H. Felton of Georgia to be sworn in as the successor to Senator Watson. Indications were that she would be received as a full-fledged sitting member tomorrow.

The senate was in session 33

## SEVENTY PERSONS LOSE LIVES WHEN STEAMSHIP SINKS

Only Two Bodies Had Been Recovered Late Last Night

(By The Associated Press)  
CALEXICO, Calif., Nov. 20.—Seventy persons lost their lives in the sinking of the steamer Topolobampo, in the Gulf of California near the mouth of the Colorado river, early yesterday according to reports of the disaster which reached here today. Late last night only two bodies had been recovered—a woman and a child, hugged to her breast. Others were expected to be found at low tide this afternoon. Twenty four survivors, including nine women and six children are on their way to Mexicali, Lower California in military trucks, manned by relief troops who set out yesterday.

There is a possibility that other survivors may be found on the Sonora shore line, a mile distant from the place where the Topolobampo, a craft of 36 tons displacement, went down when broken in two in the middle by a wall of water twenty feet, which followed the tide from the river.

## ALLEGED MURDERER IS NEAR DEATH

Bluffton, Ind., Nov. 20.—Thos. Clark who is being held here in connection with the death of his wife and young son, who were beaten to death at their home near Huntington last Wednesday is suffering from an attack of pneumonia and his recovery is doubtful, according to a statement by the jail physician tonight.

In addition severe burns which he is alleged to have received when he set fire to the chicken house, where the bodies were placed, have become infected.

## FOUR JURORS IN THOMAS TRIAL

Peoria, Ill. Nov. 20.—Four jurors have been accepted for the trial of Edward L. Thomas charged with complicity in swindling Henry W. Kath of Muscatine, Iowa of \$10,000, August 28, 1921 thru an imaginary speculation in stocks.

## HARDING ASSURES GOVERNOR PARKER OF FEDERAL HELP

### Ready to Act if Klan Activities Involve Federal Interests

(By The Associated Press)  
WASHINGTON, Nov. 20.—Assurances were given governor Parker of Louisiana today by President Harding that wherever federal interests were involved in the alleged activities of the Ku Klux Klan in that state the federal authorities were ready to extend full cooperation. This was in reply to a request by the governor for government help cutting off from the organization in Louisiana the support and encouragement which he asserted it was receiving from the outside.

At the white house conference between the president and Mr. Parker, attended also by Attorney General Daugherty and the attorney general of Louisiana, A. V. Coo, it was agreed that the state government would be fully able to take care of the situation. The governor called attention to the campaign he had been conducting against the Klan for months and declared that "regardless of cost or consequences a most thorough investigation would be made of reported outrages."

He vigorously denied that was in Louisiana any such situation as that described in articles written by a staff correspondent of the Washington Post and published thruout the country. In a letter to the Post which he made public, Mr. Parker said the Klan had reduced the sovereign state of Louisiana to the vassalage of the invisible empire was one of the most amazingly inaccurate observations he had ever known a newspaper to make.

Arriving here early today from Baton Rouge, Governor Parker conferred with W. J. Burns, chief of the bureau of investigation of the department of justice before going to the white house.

Issues General Daugherty issued this statement for the president:

"It appears that the state of Louisiana will be fully able to take care of the situation. There is nothing at this time for the federal government to do except to give assurances to the state authorities that wherever federal interests are involved federal authorities are ready to extend full cooperation."

The governor declared there was "absolutely nothing" on which could have been based the statement that "the machinery of state government has almost ceased to function, adding that there never had been the most remote idea on the part of anyone in Louisiana of appealing to the federal government to go into the state of Louisiana and take over the administration of government."

## SIX COMMUNISTS START SENTENCES

(By The Associated Press)  
JOLIET, Ill., Nov. 20.—Six of the nineteen communist party members convicted in 1919 under the Illinois anti-syndicalist act, arrived here tonight to begin serving their sentences of one to five years in the state penitentiary. They were brought here in the custody of four deputies from the Cook county sheriff's office.

Those who arrived tonight were Jack Carney, Neils Kjar, Arthur Proctor, Ludwig Lore, Edgar Owens and L. K. England. They were taken to the solitary court for the night and tomorrow morning will be prepared for their confinement.

Proctor carried with him into the penitentiary a small book entitled "Bankruptcy of the American Labor Movement," written by William Z. Foster.

## TIERNAN TENDERS HIS RESIGNATION

South Bend, Ind., Nov. 20.—Professor John B. Tiernan who charged that Henry Poulin, local haberdasher, was the father of Mrs. Tiernan's third child, today submitted his resignation as a member of the University of Notre Dame law faculty. The resignation was accepted without comment, it was said.

## ILLINOIS MAN DIES IN EAST

Chicago, Nov. 20.—George P. Blow, president of the Western Clock Manufacturing company, and an officer of many other corporations, died suddenly in Washington, D. C., today, according to telegrams received here. His home was in LaSalle, Ill.

Mr. Blow graduated from the Annapolis Naval academy in 1881 and was on the Battleship Maine when it was blown up in the harbor of Havana in 1898. He is survived by a son, George W. Blow of Chicago, and a daughter, Mrs. Wayne Chatfield Taylor.

## AUTHORITIES ARE TRYING TO FIND W. BROSS LLOYD

Wealthy Radical Leader Has Not Surrendered Himself

(By The Associated Press)  
CHICAGO, Nov. 20.—Search for William Bross Lloyd, wealthy radical leader continued today as thirteen of his 19 companions convicted with him in 1919 under the Illinois anti-syndicalist act of conspiracy to advocate overthrow of the government, surrendered themselves and began serving sentences ranging from one year to five.

Lloyd and four others of those originally convicted failed to appear. The 19th man is dead. While no authoritative word has come from Lloyd his lawyers scout assertions that he has fled possibly to Canada and continue to maintain that he will give himself up by Thursday at the latest. They declared he needed more time to put his estate in order.

Laughing and joking the thirteen who surrendered walked from the office of their attorney Clarence Darrow, to the criminal courts building. They carried satchels and were accompanied by crowds of friends, some tearful at the partings; others as jolly as the prisoners. They laughed at interviewers, willingly posed for pictures and even chatted gaily with their prosecutors.

Six of the prisoners were taken to the state prison at Joliet. The others will serve out their sentences in the jail.

## CLEMENCEAU TALKS TO NEWSPAPER MEN

(By The Associated Press)  
NEW YORK, Nov. 20.—Georges Clemenceau, advocate of France, unleashed his oratory today before one of the most critical audiences he is likely to face in America. Appearing for a 15 minute talk to a group of newspaper editors and publishers at a luncheon arranged by Ralph Pulitzer of the New York World, the venerable tiger plunged so deeply into the subject closest to his heart that it was 58 minutes before he could find a stopping place.

His auditors represented many shades of political opinion. Among them were men who had written editorials criticizing his views on world politics. But at the end of his address they were all agreed that Clemenceau is passionately in earnest about cause of France and that his address will be well worth hearing.

## LITTLE CREDECE IS GIVEN REPORT

(By The Associated Press)  
LONDON, Nov. 20.—Little credence is given in official circles here to a report from Lausanne telling of an alleged attempt to exercise censorship over news reports of the developments at the near east peace conference. It is pointed out that the allied delegates could not censor despatches from Switzerland as they have no control over the posts and telegraph there and the report is thought to have arisen from instructions to individual delegates not to talk for publication.

Even if the censorship report were true, it is said such an attempt at supervision would break down in a day or two as it did at the Hague conference. So far as the British delegation is concerned it is proposed to collaborate with the correspondents thru an all spokesman.

## MARY GARDEN UNABLE TO APPEAR

Chicago, Nov. 20.—Mary Garden, former director of the Chicago Opera Company, but who is appearing this year only as an artist, was confined to her hotel tonight while Rosa Raisa appeared in her place in "Tosca."

The announcement from the opera management said that Miss Garden's health prevented her appearance and it was said that her friends were worried over her condition.

According to a formal statement by her personal representative, the cancellation was caused by Miss Garden having been cast for three performances this week. This program was found to be too heavy, he said.

## DISCOVER LARGE BURYING GROUNDS

Omaha, Neb. Nov. 20.—Discovery was announced today by Dr. Robert F. Gilder, an archaeologist of this city of two mounds near Blair, Neb. which he estimated contained the skeletons of at least 7,500 humans, probably Indians so ancient that there are no modern records of them. Human bones were found protruding from the mounds, which were not opened because the owner of the land could not be found. An anatomical investigation will be made of the bones.

## NEW MINISTER PRESENTS CREDENTIALS

Royal, Nov. 20.—Frederick B. Coleman, new American minister to the Baltic states, presented his credentials to the president of Estonia today.

## CONFERENCE AT LAUSANNE HELD BRIEF SESSION

### Speakers Voice Hope Peace Will Come from Sessions

(By The Associated Press)  
LAUSANNE, Nov. 20.—Hope that peace would result from the labors of the near eastern conference was voiced by the speakers at the brief opening session today.

This sentiment was voiced first by President Haab of the Swiss confederation, who presided over the opening plenary meeting, and it was dwelt upon by Lord Curzon and Ismet Pasha in their responses on behalf of the numerous delegations.

Today's sitting required only a half hour, and tomorrow the business of the conference will be actively begun.

Richard Washburn Child, American ambassador to Italy, and Joseph C. Grew, minister to Switzerland, the two principal American representatives were seated prominently in the front row of the Casino beside Premier Poincare of France, and received a warm welcome from the other delegations.

The prospects of American activity in the conference which many foreigners appeared to interpret as the launching of a new American policy in Europe, and the presence of a strong delegation from Japan gave world wide significance to the convence.

Benito Mussolini, the new strong man of Italy, with his air of alert determination drew all eyes as he moved to his place not far from Venizelos, whose activity and popularity practically forced the abdication of a Grecian king and who was here to apply all his diplomatic skill to serve what he can for his country.

Venizelos sat inscrutable under the accusations of the chief Turkish plenipotentiary, Ismet Pasha that the Greek army without justification had systematically devastated the Turkish countryside and made a million innocent Turks homeless, hungry wanderers.

Ottoman Nation Wants Peace The Ottoman nation wants peace with all its heart, Ismet told his hearers, but he warned them that lasting peace must be founded upon mutual respect of national liberty and independence.

Lord Curzon wanted Lausanne to make "a final peace of all." He pledged England's whole soul support in this cause.

Ismet Pasha spoke almost audibly in French, but some were able to catch the declaration that the world war armistice of four years ago was "concluded on the basis of fear and faith in the Wilsonian principles."

It is announced that the establishment of a complete determination Premier Poincare, Lord Curzon and Premier Mussolini would be celebrated tonight by an entente dinner of sixty covers which M. Poincare and the French delegation tendered to the British and Italian representatives. It is understood that the difficulty in satisfying Italy arose from the Italian contention that in the treaty of Sevres which the present conference must revise Italy's national rights in the near east were not sufficiently respected and protected. Italy will insist on what she considers her legitimate aspirations, and above all treatment on an equal basis with Great Britain and France.

## DISASTROUS FIRE IN SPRINGFIELD

(By The Associated Press)  
SPRINGFIELD, Ill., Nov. 20.—Fire starting from a short circuit in the basement of VanHorn and Link's store on the east side of the square here shortly before noon today caused a damage of \$117,000 and for a time threatened an entire block.

The entire stock of the VanHorn and Link concern was destroyed building collapsing. Heavy damage also was suffered by the E. & W. Clothing Store and the Frank L. Simmons stationary store adjoining the burning building on either side.

The entire fire fighting apparatus of the city was required to hold the blaze in check.

The vogue of the Dunbar Bell Ringers was the most notable of any similar company which has appeared on the American concert platform. They gave more than 2,800 concerts up to 1912, when both Harry and Ralph Dunbar resigned their places in the quartet to others. The company up to then had traveled 490,000 miles in America and Europe.  
The present company, which will appear here, having organized by Ralph Dunbar himself, is most worthy to bear the Dunbar name.

**I. C. PRESIDENT PRAISES TEAM**  
Chapel Time Given Over to Talks by the President, Coach and Players—Celebration Monday Evening.  
Spirit ran high at Illinois college Monday. After having expressed the high tide of excitement Saturday in order to keep from disturbing the quiet air of early Sunday morning, the dams broke when school reconvened and from semi-concentration of morning classes and general speech-making at chapel time to the bonfire, bomb blasts and general dancing at night, the idea pervaded the school that the grid warriors have struck their stride and may yet claim the conference championship.  
President Rammelkamp spoke in hearty congratulation of the team at the chapel exercises. He called upon various members of the team and upon Coach Harmon, who emphasized the consistent defensive work of the team through the season, and their steady growth as an offensive team until their punch matches any in the conference. If Augustana goes under the steam roller next Saturday the local men have a second to none claim on the championship.  
Among those called upon to speak at the meeting were Captain Gunn and Mellon, who have played their last game on the Illinois field; Reiss, who holds down a tackle between Mellon's guard and Gunn's guard; Weber, guard, and Plattner and Rogers, backfield men.  
Until a late hour Monday night the celebrations of victories won and hopes in suspense made the campus the scene of all sorts of impromptu enjoyment. Guns, yells, speeches, and all manner of other noises added to the tumult, and a roaring fire helped keep up the cheer. Many sought relief for their spirits in dancing, and the college dance orchestra was equal to the occasion.  
Midnight parade down State street, including a roaring bonfire between the car tracks, concluded the festivities.

**FUNERAL OF MRS. BROWN AT MANCHESTER**  
Aged Resident Laid to Rest Sunday Afternoon in Manchester Cemetery.  
Manchester, Nov. 20. — The funeral of the late Mrs. Catherine Brown was held at 2 o'clock Sunday afternoon from the family home. A large number of relatives and friends of the deceased were in attendance and the services were of a very impressive character. Rev. N. M. Antrobus was the officiating minister.  
Music was furnished by a quartet including Mrs. C. D. Chapman, Mrs. J. H. Langdon, E. L. Maine and M. W. Story.  
The many beautiful floral offerings were cared for by Misses Leah Sloan, Mina Gronwall, Hattie Lomon and Mrs. E. A. Lashmet.  
Interment was made in the Manchester cemetery, the bearers being Henry and William Heaton, James Thomas, Albert Gronwall, Clayton Hudson and John Duncan.

**WITH THE SICK**  
Miss Helen Doyle returned to her home in Winchester yesterday after having been a patient at Our Savior's hospital for a number of weeks.  
Miss Ruth Mason is ill at the home of her parents, Mr. and Mrs. Otis Mason, northwest of the city.  
Palmer Hunt, who has been ill at Passavant hospital for the past week, has so much improved that he is now able to see friends who call.  
Miss Bea Ellis of Pine street, teacher at the Jacksonville high school, underwent an operation at Our Savior's hospital Monday morning for relief from appendicitis. Miss Ellis was doing as well as could be expected last evening and her many friends hope for her speedy recovery.

**CLUB HELD MEETING**  
Mrs. M. B. Davis entertained the Social Domestic Science club Friday afternoon at her home on Richards street. Notwithstanding the inclemency of the weather there was a large attendance of members, and thirteen guests were present, the out of town guests being Samuel Milburn of Washington, D. C. After transacting the business of the club the visitors were introduced and spoke words of encouragement to the club. Afterwards a short program was heard. The club journal was read by Mrs. C. Taylor. In the contest which followed Mrs. Josie Allen won first prize and Mrs. Minnie Triplett second prize. Delicious refreshments were served by the hostess who was assisted by Mrs. Sarah Rice, Mrs. Katherine Haltham and Mrs. Hester Brown. The club adjourned to meet with Mrs. Mattie Jackson, the third Friday in December.

**BIRTHS**  
Mr. and Mrs. Robert Brown of Pittsfield are the parents of a baby boy, born at Passavant hospital Monday morning. Mr. Brown is superintendent of schools in Pittsfield.  
Roy Bush of St. Louis was in the city on business Monday.

This caption accompanied a photograph of the Winchester horse in the rotogravure section of the St. Louis Globe-Democrat Sunday, in which a page was given over to the show.

**BANQUET GIVEN AT MURRAYVILLE CHURCH**  
The Home Missionary society of the Murrayville M. E. church gave a banquet in the church basement Monday evening for the members of the cast in the indoor carnival given last Thursday evening. A splendid menu was served at 7 o'clock, after which several hours were very pleasantly spent in an informal way.

**JURY INSTRUCTED FOR MRS. GILLHAM IN SUIT**  
Action on Part of Court Came After Evidence of Complainant Had Been Presented—Orders Entered By Judge—Smith in Various Cases.  
In the circuit court before Judge Smith Monday the suit of Henry L. Gillham against Mrs. Mary F. Gillham for divorce was called for trial. On motion of the defendant the record was so amended that the question for the consideration of the jury was "Has the defendant been guilty of extreme and repeated cruelty toward the complainant?"  
A jury was empanelled and after evidence had been presented on behalf of the complainant a motion was made by the attorney for Mrs. Gillham that the jury be instructed to return a verdict finding in her favor. The court granted this motion and gave such instructions to the jury.  
The court indicated that there had been not a particle of evidence to uphold the claim made by the complainant.  
In the suit of T. H. Henderson vs. Robert Loving, distress for rent, motion was made by the complainant for continuance.  
In the assumpsit suit of Albert F. Bryant vs. William McNamara, suit was dismissed by the complainant.  
In the assumpsit suit of E. L. Qyark vs. William S. Ehnie, Jr., rule was entered requiring that plea be made by Nov. 22.  
In the trespass suit of Charles Stewart vs. William Mitcherson, rule was entered requiring plaintiff to file cost bond by Nov. 27.  
In the assumpsit suit of Otis Holman vs. the Get Gas Service Station, rule was entered requiring the plaintiff to file bill of particulars by Nov. 27.

# Questionnaire on the New Constitution

(Continued from Sunday)

**The General Assembly.**  
Q. What system of representation in the general assembly is provided?

A. Fifty seven senatorial districts are established in the state instead of fifty one as at present, and only senators are to be elected from these districts. Instead of electing three members of the each senatorial district as at present, 153 representative districts are to be established, each of which will elect one member to the lower house.

Q. How are the districts to be apportioned?

A. Cook County can never have more than 19 of the 57 senatorial districts; 38 senatorial districts are to be apportioned downstate. The 133 representative districts are to be apportioned over the state, according to the basis of representation. The basis of representation for both houses is the number voting for governor at the general election next preceding the particular apportionment. This puts a premium upon good citizenship.

Q. How does this affect Chicago representation in the general assembly?

A. Cook County under this

plan can never have more than one-third of the state senate but will not be limited in the house.

Q. What about the planing system of electing members of the lower house?

A. The new constitution abolishes cumulative voting for representatives by providing for only one member to be elected from each of the one hundred fifty-three districts. Illinois is the only state in the union which has retained the planing system, and it has been generally condemned for many years by the voters of this state.

Q. Is it customary for states having large centers of population to limit the representation of these cities in the legislature?

A. Yes. The City of New York is limited in the senate of its state legislature. In Connecticut four principal cities which have one-third the population of the state have only one thirty-second of the members of the lower house. In Rhode Island no city is permitted to have more than one senator or over one fourth the members of the larger house. In Florida and Georgia no county is permitted to have more than three representatives, no matter what its population. In Maryland, Montana and South Carolina each county may have but one senator. Baltimore, Maryland, with two-fifths of the population of the state has but one-seventh of the members of the senate. All states limit in one house small areas with large populations. Illinois has heretofore been a notable exception to a well established and accepted rule.

Q. How is Chicago compensated for curtailment in the senate?

A. Chicago is given home rule. The city council with the approval of the voters may provide for a city charter dealing with public utilities and other questions of particular interest to Chicago.

**Judiciary Reform.**  
Q. What is the purpose of the changes made by the section relating to courts?

A. To make possible simpler procedure and less complicated appeals. To reduce the number of courts and provide higher qualifications for judges.

Q. How are local courts affected?

A. Municipal courts are abolished. Circuit judges, however are permitted to hold court at other cities than the county seat. Probate courts are abolished, and work to be done by the county court. In large counties where it is necessary an additional county judge may be provided, and two or more small counties may combine their county courts under one judge if it is thought best. The county court is considerably strengthened. The fee system for justices of the peace and constables is abolished.

Q. In what respect are appellate courts changed?

A. Only in that the supreme court, in its appointing power will not be restricted to the choice of circuit judges to the appellate bench, but may extend such appointments to any qualified attorney.

Q. What changes affect the supreme court?

A. Its personnel is raised from seven to nine justices. Rules of pleading practice and procedure are to be prescribed exclusively by the supreme court, but the legislature is given a veto power to set aside any prescribed rule.

Q. What about the provision relating to the granting of bail?

A. This section is the same as the provision for bail in the Federal Constitution. It provides that "Excessive bail shall not be required." Under this section the legislature may continue to follow the federal example by enacting that all persons shall be bailable

by sufficient sureties, except in capital cases, etc., or may permit judges to refuse bail to seasoned offenders for second or succeeding felonies.

Q. How are trials in criminal cases expedited?

A. By the provision that in any except capital cases, after permission has been obtained from the court, the trial may be had upon information by the state's attorney, instead of waiting until the grand jury convenes. This will avoid several months' stay in jail on the part of many offenders in small counties where infrequent jury sessions are infrequent. Salutory and efficient rules to shorten the course of justice may be prescribed by the supreme court.

**WHY STAY FAT? YOU CAN REDUCE**

The answer of most fat people is that it is too hard, too troublesome and too dangerous to force the weight down. Marmola Prescription Tablets overcome all these difficulties. They are absolutely harmless, contain no dieting or exercise, and have the added advantage of cheapness. A case is sold at one dollar at all druggists the world over, or send the price direct to the Marmola Co., 4821 Woodward Ave., Detroit, Mich. Now that you know this, you have no excuse for being fat, but can reduce steadily and easily without going through long sieges of tiresome exercise and starvation diet or fear of bad effects.

**WOODSON SCHOOL IS DESTROYED BY FIRE**

Flames Completely Destroy Two Room Frame School Building Late Monday Morning—School Sessions to Be Continued.

Woodson, Nov. 20—Fire which was discovered about 11:30 o'clock this morning entirely destroyed the Woodson school building. The origin of the fire is somewhat uncertain, but it is the theory of some that sparks falling in leaves on the roof set the building on fire.

The flames were first discovered by Miss Nina Anthony who immediately notified Mrs. Nettie Ezard and the latter gave the alarm at the school house. The children, sixty-five in number were taken from the building by their teachers, J. Chester Colton and Miss Ruth Mellor.

The flames had gained such headway before discovery that it was impossible to save the building. However, it was possible to remove most of the contents, including the desks, books and maps. In the basement of the building were 400 bushels of coal and this was totally destroyed. However, the coal was insured, as was true of the building and equipment.

The school was built more than fifty years ago but was in an excellent state of repair. The loss is estimated at between \$7,500 and \$8,000 and is practically covered by insurance.

The school board met Monday afternoon and decided to continue school sessions in Colton's hall. The work of putting in a partition there was begun yesterday afternoon and the equipment moved to the new location.

It is probable that nothing will be done toward the erection of a new school building until the coming year.

## Oats Ready Before the coffee

**Instant Quaker Oats**

Cook in 3 to 5 minutes

Quaker Oats now comes in two styles—the Instant and the regular.

Instant Quaker, perfected by our experts, is the quickest cooking oats in the world. It cooks to perfection in 3 to 5 minutes.

Both have the flavor which has made Quaker Oats supreme. Both are flaked from queen grains only—just the rich, plump, flaky oats. We get but ten pounds from a bushel.

But in Instant Quaker the oats are cut before flaking. They are rolled very thin and partly cooked. So the flakes are smaller and thinner—that is all. And the small thin flakes cook quickly.

Take your choice. If you want the Instant Quaker look for "Instant" on the label.

BRIEFS

(By The Associated Press)  
Washington, Nov. 20—Competition between railroads in the northwest in reality would be decreased if the interstate commerce commission should proceed with its tentative plans of consolidating the Great Northern and Chicago, Milwaukee and St. Paul, Ralph Rudd, president of the Great Northern testified today at

Blackheaded Pimples Quit With S.S.S.

Why Pimples Boil When Red Blood Cells Increase S. S. S. Builds These Red-Blood Cells.

The shame of a blemished face! blood-cells! That is what you need when you see pimples starting at you in the mirror. Black-headed pimples are worse! It is worse yet! You can't find anything under the sun, you can't find only one answer, more cell-power in your blood! The tremendous results produced by an increase in red-blood-cells is one of the A. B. C.'s of medical science. Red-cells mean clear, pure rich blood. They mean clear, radiant, lovable complexions. They mean nerve power, because all your nerves are fed by your blood. They mean freedom from all the troubles that attend the blackhead pest, from boils, from eczema and skin eruptions, from rheumatism, from indigestion, from that tired, exhausted, run-down feeling. Red-blood-cells are the most important thing in the world to each of us. S. S. S. will build them for you. S. S. S. has been known since 1858, as one of the greatest blood-builders, blood-cleansers and system strengtheners ever produced. S. S. S. is sold at all drug stores in two sizes. It was all a joke, explained John H. Creiger, 17, of Binghamton, N. Y., when questioned why he wed his sister, Elizabeth, the adopted daughter of Mr. and Mrs. Adam M. Haffner of the Bronx. The marriage was a lark and they parted immediately after the ceremony John replied.

**KEEP LOOKING YOUNG**

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

Revolver Shot Ended This Shark

This nine and one-half foot shark was killed in Vancouver (B. C.) harbor by Captain Hamilton after the enormous fish had trailed his boat from San Francisco. It was the first shark seen off Vancouver for many years. A remarkable feature is that it was killed by shots from a heavy revolver.

**NEW WITNESS IN HALL-MILLS MURDER**

(By The Associated Press)  
SOMERVILLE, N. J., Nov. 20—As a startling climax to the first session of the grand jury which today devolved into the mass of evidence surrounding the murders of Rev. Edward Hall and his chorister, Mrs. Eleanor Mills, detectives announced tonight they had discovered a new witness whose testimony might overshadow in importance that of Mrs. Jane Gibson the "pig woman."

Strangely enough this new witness whose name is George Sipel, is known to his former neighbors in Middleburgh as "the pig man."

This particular episode which officials say he witnessed will put him in the position of corroborating the testimony of the "pig woman" according to the detectives.

**WET ORGANIZATIONS OPPOSED TO SALOONS**

(By The Associated Press)  
ST. LOUIS, Mo., Nov. 20—The executive committee of the association opposed to prohibition this afternoon went on record as "unilaterally opposed to the saloon." A resolution to this effect was adopted in connection with the first national meeting of secretaries of state branches of the association. Eighteen states were represented at the conference, at which Secretaries of State branches of the organization reported on the results of the recent general election as it affected the liquor question.

W. H. Stayton of Baltimore made general director of the association in an address declared that the result of the recent election is sufficient to satisfy any thoughtful man of the strong tidal wave which is spreading over the country against the Volstead act.

**FEMALE PIRATE OPERATES IN CHINA**

(By The Associated Press)  
HONG KONG, Nov. 20—Stories of a female pirate leader and her desperate band of Chinese buccaneers who yesterday seized the British Steamer Sui-An, overcame the crew after a sanguinary battle and then escaped with all the cash and valuables on board were related by the passengers who were landed from the vessel this afternoon.

Thruout the piratical adventure the woman leader is said to have calmly directed the movements of her band and was wounded with three buccaneers when the passengers and crew engaged them in battle. Two of the ship's crew were killed and several wounded including the captain, a French priest and another European passenger, the chief officer, chief engineer and a Portuguese passenger.

**CELEBRATE OPENING OF NEW HARD ROAD**

QUINCY, Ill., Nov. 20—The formal opening of state hard road, route 31, was celebrated today by the residents between Quincy and Mount Sterling with a banquet and speeches in Camp Point, Congressman W. E. Hull of Peoria being the principal speaker. More than 100 automobiles containing members of the city council, board of supervisors, chambers of commerce and other civic organizations left here in the morning. Representatives of other cities along the road joined them in Camp Point. It also marked the installation of two motor bus lines between Quincy and Peoria and is crossed by route 3 or Springfield and the east. It has been completed a distance of approximately 30 miles to the east.

**ALTON WOULD ISSUE BONDS**

Chicago, Nov. 20—Receivers for the Chicago and Alton railroad today applied in federal district court for permission to issue \$2,000,000 of receivers' certificates. Approximately \$1,000,000 so derived would be required to repair locomotives and other equipment as a result of the shopmen's strike, the court was told and the necessary repair work probably would have to go to outside shops.

W. G. Bied, president and receiver of the road said that between now and May, 1924, the road should earn better than \$3,000,000 if business continues good.

## Inspector Puts His O. K. on Tanlac

"Tanalac is a fine health builder and I am always glad to say a good word for it because it has been of great benefit to me," declared William J. Lewis, 125 W. 5th St., Gary, Ind. Mr. Lewis is a steel inspector for Robert W. Hunt & Co., Chicago, a man widely traveled and held in high esteem for his conservative temperament and broad experience.

"I was for some time in a badly run-down condition," he said. "I lost my usually keen appetite, gas and sourness caused by indigestion upset my stomach and gave me severe headaches, and I got so I would tire out easily."

"I noticed the record made by Tanlac, having never lost track of the progress of medicine since I was graduated in nursing in my early twenties. I decided to try it and am pleased to state it has restored me to good health in every way."

Tanalac is sold by all good druggists.—Adv.

## Social Events

### Mrs. M. B. Hunt Is Honor Guest at Affair Monday

Mrs. Mark B. Hunt Jr., was the guest of honor at a most delightful tea given yesterday afternoon at the Woman's College by Mrs. Jos. R. Harker, Mrs. A. C. Metcalf and Miss Wackerle. The guest list included friends of Mrs. Hunt, who before her marriage was Miss Ruth Harker. The guests were entertained in the reception room and Miss Olive Austin assisted in the receiving line with the hostesses.

Chrysanthemums, ferns and other colorful autumn flowers were used with attractive effect in the reception room and in the social room where tea was served. During the afternoon a short informal musical program by Miss Christine Cotner, Miss Audrey King and Miss Mary Lois Clark was a delightful feature of the afternoon.

Assisting the hostesses were Mrs. F. H. Rowe, Miss Ruby Neville, Miss Mary Anderson, Mrs. E. E. Crobbree, Mrs. Eloise Pitner, Mrs. W. A. Fay, Mrs. Sterry Long, Mrs. J. B. Davis, Mrs. Paul Samuel, Miss Mary Wadsworth, Miss Nellie Knopf, Miss Helen Miner, Miss Mary Johnston, Miss Esther Davis, Miss Janette Powell, Miss Louise Pletcher, Mrs. Henry Ward Pearson, Mrs. E. L. Kinney, Mrs. William Thatcher, Miss Nelle Taylor, Mrs. J. W. Walton and Mrs. E. L. Pletcher. The young women who assisted in the serving were Misses Helen Massey, Eloise Calhoun, Frederica Balche, Lucile Morris, Avis Murphy, Sarita Jones, Eleanor Dodd, Wilhelmina Wagner, Elizabeth Runa R. K. Kathleen Calhoun, Velda Meadows, Miss Gertrude Loddell and Mildred Holland.

Among out of town guests at the affair were Mrs. Sterry Long of Pontiac, Mrs. Norton Warren of Mt. Vernon, and Miss Bertha Miner, Miss Mary Woodall, Mrs. Fritz Haskell, Mrs. Charles Anderson, and Miss Alice Mudd of Winchester.

### Hostess to Club

Miss Minnie Keating entertained the members of her card club last evening at her home on East Railroad street. Four tables of bridge were made up and the evening pleasantly spent in playing. At the close of the cards the hostess served dainty refreshments.

## MANY QUESTIONS INVOLVE BONUS

Likely That Attorney General Will Have to Be Called Upon to Decide Number of Doubtful Points.

Springfield, Ill., Nov. 18.—(By The Associated Press.)—Many questions are arising of construction of the Illinois soldier bonus law voted on at the November 7 election. The service recognition board, comprising Governor Small, State Treasurer Miller and Adjutant General Black, has discovered a number of mooted points which members of the board declared may eventually be placed before the attorney general for decision.

One of the questions is whether the bonus law applies to service after the signing of the armistice Nov. 11, 1918. The law on this point says: "Every person x x x who served honorably in active duty in the military or naval service of the United States at any time between the sixth day of April, 1917, and the eleventh day of Nov. 1918 x x x shall be entitled to receive from the Soldiers Compensation Fund of the State Treasury compensation of fifty cents for each day that such person was in active service after April 6, 1917, but not exceeding a total of three hundred dollars (\$300)."

Thus the language of the act in defining the qualification entitling a person to the bonus is "service x x x between the sixth day of April, 1917, and the eleventh day of November, 1918," and its language in providing payment is "compensation x x x for each day x x x in active service after April 6, 1917."

Adjutant General Black pointed out that while the law specifies a maximum bonus of \$300, no one could collect that much if paid only for the period between April 6, 1917 and November 11, 1918. There are exactly 84 days between the two dates, and the amount collectible at fifty cents a day for the entire period by a person who was already in active service when war was declared would be \$292.

Another question is whether the bonus applies to those who were in officers' training camps. Some newspapers have announced that it does not, but Adjutant General Black said he believed them to be in error.

The law provides that no payment shall be made "for time spent while taking training in any students' army or navy training corps." It is generally believed, officials said that this paragraph does not apply to officers' training camps.

Other questions relating to residence and the meaning of "active service" and of "discharge from service" are to be settled by the Service Recognition Board.

J. Marshall Miller attended the sessions of the county court in Winchester Monday.

This little Virgin Islander is happy as long as the United States doesn't make strenuous efforts to enforce prohibition in our nearest possession. Such efforts haven't been made as yet and the making of rum, chief industry in the islands since colonial days, is still carried on. Here is a distiller's assistant carrying rum in a ham.

Miss Norma Natemeyer of Beardstown, is spending a few days with her sister, Mrs. Ed. Witte east of town.

L. M. Trenter and Arthur Trenter of Virginia were in the city attending to business matters on Monday.

## CONGRESSMAN SHAW A VISITOR HERE

Congressman Guy L. Shaw of Beardstown was in Jacksonville for a short time Monday, and before his return to his Cass county home made brief visits in Waverly and Franklin.

Congressman Shaw is expected to leave for Washington in the course of a very few days to attend the extra session of congress called by the president.

Altho defeated for re-election, Congressman Shaw takes the result in a matter of fact way and looks forward hopefully to Republican success at some later time.

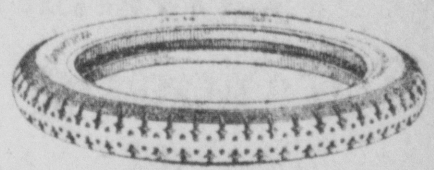

He realizes that he had an exceedingly difficult race in this district at a time when there was a general slump toward the Democratic party.

Dr. C. E. Landower of Chicago was in the city yesterday inspecting the X-ray equipment at Our Savior's hospital.

Lee Gaither of East Railroad street left yesterday for Centralia where he will make an extended stay with his son, O. E. Gaither.

Sherman, who is to make an address at the district conference of representatives of the Farm Bureau Association of the 20th Congressional District, will speak at ten o'clock Friday morning, November 24th, at the Elks home, in this city. The conference will be attended by representatives from all counties in the district and also be a number of prominent members of the Illinois Agricultural Association. The purpose of the conference is to bring the advantages of the new state constitution before the people.

At the afternoon session of the conference the address will be made by R. A. Cowles, treasurer of the Illinois Agricultural Association, who will present a plan for organizing the counties in the district, in order that full information regarding the new constitution may be brought to the people.

George B. Kendall, Morgan County Farm advisor will preside at the meetings, both of which will be held at the Elks home. Howard Leonard, of Eureka, president of the Illinois Agricultural Association, will be in the city on Friday to make an address at the Rotary Club, and will also be present at the conference of Farm Bureau members.

CALDWELL STREET  
NEEDS IMPROVEMENT

Residents Petition City Council to Have Fill Made—New Sidewalks Reported — Dr. Rowe Talks on Utility Features in Proposed State Constitution

Residents of North Caldwell street presented a petition to the city council Monday night, asking that a portion of the street north of Lafayette avenue be filled in with cinders. Complaint was made that the street is low and therefore nearly impassable after a heavy rain. The matter was referred to the highway committee.

The council met Monday night in regular session, with Mayor Crabtree, City Clerk Scott, and Aldermen Rowe, Sorrells, Harmon, Chapin, Loneragan and McGinnis present.

Aldermen Sorrells made a report recommending sidewalks on certain portions of Independence avenue, Lafayette avenue, Sherman and Myrtle streets. He also reported that the C. & A. is now engaged in the work of laying about 300 feet of concrete sidewalks on Lafayette avenue.

A report was received about the condition of one of the fire trucks at the Baldwin fire Sunday morning. This matter was referred to the fire committee for investigation.

The Caldwell street petition to which reference has already been made was filed by Ira Patterson, C. D. Padgett, Dennis Hull, W. A. Weinwright, E. C. Lewis, Arthur Denny, Howard Ellis, Jacob Rodeheimer, J. W. Murgatroyd, E. M. Saby, Theodore Baptist, F. E. Mather, Joseph DeGarcia and J. E. Saby.

Dr. Edward Rowe addressed the council with reference to certain provisions of the proposed new constitution, which will limit the powers of cities with reference to the ownership of public utilities.

Dr. Rowe believes that these provisions were included in the constitution owing to the influence of the utility corporations. The speaker also made reference to the recent application of the Jacksonville Railway & Light Co. to the Illinois commerce commission for authority to issue certain bonds on its property here.

Dr. Rowe said the issuance of these bonds was against the interest of the public and that the matter should have the attention of the city council. He also urged the council to make investigation concerning provision of the constitution especially relating to the cities and expressed the belief that after such investigation the city council would certainly oppose the new constitution program.

TWO ARRESTED ON  
LARCENY CHARGE

Amos Morgan and A. G. Hill Accused of Stealing Grip at Alexander Station.

Amos Morgan and A. G. Hill, who were arrested by the sheriff's force on a charge of stealing a grip from Charles Huffman's store, were bound over to Squire Oppenheimer's court Monday to await the action of the grand jury.

The case against George Morgan, who was also arrested on a like charge, was dismissed.

According to the evidence all of the young men had been working on the hard road east of Alexander. Saturday night Huffman was at the station intending to leave for Springfield. On the station platform he met the other young men. He left his grip on the platform while he went with two of them to a soft drink parlor. Returning he found the grip gone but caught a glimpse of one of the young men disappearing around the corner with it.

Subsequently the grip was found by Huffman and the station agent, hidden near the elevator building. The arrest and trial followed.

CORRECTION

An item in a recent issue with reference to a dance given at the Woman's college by the "Town Girls" club stated that music for the affair was furnished by Kelly's Klowns of the high school. This was in error, as this organization did not play for the dance at the college.

POLICY OF SCHOOLS  
OUTLINED IS ADDRESS

Superintendent Shafer Talks to Parent-Teacher Association of David Prince School—Told of Greatest Waste in School Systems.

The policy of the Jacksonville public school was outlined last evening by the new superintendent of schools, B. F. Shafer, in an address made at the David Prince school before members of the Parent-Teacher association of the school. This was the first general meeting of the fall and a large number of members were present. Mrs. W. S. Jones, president of the David Prince Parent-Teacher association, presided and introduced the speaker.

Mrs. J. W. Walton, as chairman of the program committee, was in charge of the arrangements for the meeting. Miss Louise Renner of the Conservatory of Music, played a violin solo accompanied by Miss Sheehan. Miss Renner's selection was "Berceuse from Jocelyn," by B. Goddard. Another feature of the evening was a class demonstration given by the girls class in Physical training under the direction of Miss Ethel Wylder.

Mr. Shafer was then introduced and said in part: "The greatest waste in the school system of today is the fact that there are so many students who are not doing work as good as that which might be expected of them. The familiar quotation, 'to whom much has been given, much is expected,' applies to our schools in that excellent work should be done by the students who are capable of such work. It is an interesting question of the Jacksonville schools that they insist on good work and that they shall not accept poor work from the students who can do better work."

So many students are satisfied with a merely passing mark. In fact some of them are dissatisfied if their grades are too high because they feel that they have been working too hard. It is our desire to build up the impression that we expect work from the students in proportion to their ability to do work.

"We are willing to accept poor work only from those students who are not capable of doing better. We expect professional work from the members of the faculty of the public schools and we expect that service to be given in a professional spirit. It is our plan that every teacher in the schools shall co-operate in securing the best possible work from the students under his or her direction."

Should Study at Nights

"The policy of the school system in Jacksonville is that the students shall reserve the evening preceding school days for school work. The parents are doing students real harm if they permit them to come home at night after night and do no studying or work of preparation for the next school day."

"Occasionally it is true that there is no studying to be done on advance work, but in this case at least part of the evening should be spent in reviews and memory drills. School work should be given the proper attention and time at home in order to assure the best results in the school room."

Following the program there was a social hour and the hostesses served light refreshments. Mrs. Owen Graff is the chairman of the social committee and the others on this committee who assisted her last evening were Mrs. Arthur Cody, Mrs. James Graham, Mrs. Lottie Hatches, Mrs. Len Magill, Mrs. G. U. Mason, and Mrs. John Tayman.

**MRS HARRY GRIERSON IS EXPERT WITH RIFLE**  
 Many local residents will be interested in reading the following item from the Fort Davis (Tex.) Post with reference to Mrs. Harry Grierson, formerly Mrs. Bernice Capps. Mrs. Grierson is skilled in the use of the pistol as well as the rifle, having won the first "Expert Pistol" medal ever awarded a woman in the National Rifle association of the U. S. She won three turkeys in the Thanksgiving turkey shoot at Fort Davis, with the highest score and also won first place this year in the rifle shooting contest of the Fort Davis Rifle club of 20 members. The article from the Fort Davis paper follows:  
 "As Wednesday, Nov. 1 was the opening day of the deer hunting season, Mrs. Harry Grierson went out on a deer hunt and within 2 miles of Fort Davis in Limpia canyon, she shot a fine black tail deer. She was assisted before in killing deer but on this occasion she did the killing by herself and she is proud of the fact. Earlier in the morning she had shot a nice bunch of ducks, quite a good bunch of game for one morning. Mr. and Mrs. Grierson report many hunters out in the mountains but they are the first to report any game this season."

The approaching wedding of Miss Lucinda Young and Donald Houston, both of this city, was announced last evening at a delightful affair given at the home of Miss Louise Sheppard on South East street. The affair was given by Misses Elberta Whitlock, Elizabeth Boruff, Dorothy Randle and Louise Sheppard and was a surprise party for Miss Young. About fifteen of Miss Young's most intimate friends were the guests at the affair and most enjoyable evening was spent.

In the house decorations and the attractive favors, a pretty color scheme of pink and white was carried out. A delicious two course luncheon was served during the evening in keeping with the color scheme. During the luncheon each guest was given a tiny card bearing the names of the popular young couple and the date of the wedding, December 7th.

The bride to be is a daughter of Mr. and Mrs. M. C. Young of 1200 South Main street. She attended the public schools of the city and was a student at the High school last year. Miss Young's attractive and sweet personality has made her most popular with a large circle of friends. Mr. Houston is the son of Mr. and Mrs. Walter J. Houston of 707 West College avenue. He was also a student at the high school and is now engaged in farming north of the city. He is a splendid young man and the young couple will have the best of wishes from their many friends.

The guests at the party last evening included Misses Dorothy Houston, Elizabeth Martin, Ruby Young, Martha Strang, Hattie Davis, Ruth Jordan, Ida Vollrath, Pearl Moxon and Miss Lucinda Young, the guest of honor.

**AN APOLOGY TO JOHN KEARNS**  
 Tis true the verse John Kearns wrote As far as he knew, the truth he spoke, For "Tinker Jones" sat day after day Mending chairs the same old way. I mean his friends were far and few But those he had were staunch and true. For many times when the days were gray A neighbor would send his dinner from over the way. Down deep in his heart was gratitude For the neighbor so kindly had been, But "Tinker Jones" could not say, I thank you, for sending this dinner in. But a basket of tomatoes would come each day To those who brought the dinner from over the way. And boxes of kindling to start the fires. For the little kindness That was shown to him, had started a spark of kindness within. Who dares to judge poor "Tinker Jones" Or knows his history now he has gone. But this one thing we hope and pray He has entered the pearly gates just over the way. St. Peter will find a place for him Where he can sit and meditate And watch for his friends Thru the pearly gates. So ever let us kindly be To those less fortunate than we, And always lend a helping hand Even tho he be a Tinker Man. —MYRTLE W. TANDY

**HEALTH SITUATION IN WHITE HALL IMPROVES**  
Epidemic of Scarlet Fever Prevented by Sincere Efforts of Health Department — Other White Hall News  
White Hall, Nov. 20.—Mayor H. W. Roodhouse's week-end statement on the local health situation contains the statement that the epidemic of scarlet fever has about petered out, there being only eight quarantine cards now displayed, and these are all expected to run out in a couple of days. The customary examination of pupils of the public schools was carried out last week on three days without resulting in sending a single pupil home. For three weeks Mayor Roodhouse has given his entire time to the health crusade in his determination to prevent a spread of scarlet fever and diphtheria. He obtained the cooperation of all forces concerned in the health of the community, and the result has been as above stated—final elimination of the disease that might have resulted in serious contagion with less stringent regulation.  
The condition of Mrs. Caroline Meisenbach, widow of the late C. Meisenbach, has improved to such an extent that some members of the family have returned to Pike county and St. Louis. Mrs. Meisenbach is nearing her 88th birthday. Last Friday hope for her recovery had been abandoned. Jasper Wilkinson was over from Patterson vicinity last week on business. He is the one who had a sum of money stolen on Saturday evening, the 11th inst., by a couple of robbers, who have made good their escape, all clues failing to produce tangible results up to this time. Mr. Wilkinson's loss is now placed at \$350. It was common knowledge that he always had large sums of money on his person, and the robbers failed to obtain all the money in the house. He conducts an apary three and one-half miles northwest of Patterson. He is a bachelor, 65 years of age. He says that he suffered no ill physical results from the bold holdup other than a bad scare, which was fully shared by his housekeeper, Miss Mott, an aged lady. Mr. Wilkinson's visit to White Hall is said to be the result of his decision to keep less money about his premises and open a bank account.

**W. W. Davis Again Out**  
W. W. Davis is again on duty in assisting in the care of the public school property. He was one of the many quarantines as a result of the cultural examinations and with his confinement he suffered a loss of speech that was at first thought to be paralysis of the vocal chords. An X-Ray demonstrated differently, and the removal of pressure from the tonsils restored his speech.  
The monthly dinner of the Brotherhood will be held in the Presbyterian church Tuesday evening at 7 o'clock and the address will be by Miss Mary Wadsworth of Jacksonville, who performed valiant service in connection with the memorial center at Chateau Thierry, established by American.

caus-for-the-2,500-American boys who fell at the battles of Belleau Wood and Chateau Thierry. There will be a business session in connection with the affair that will warrant the presence of all businessmen and community promoters. There are expected to be present a number of rural visitors.  
The White Hall Live Stock Shipping association held a meeting Friday evening in American Legion hall, and re-elected as directors for the ensuing year Marcus McCollister, Norman Davis, Norville Hicks and Henry Roodhouse, while William Edwards was added to the directors. The association was organized in February, 1921, and at this time Meade Baldwin, manager showed that for the past year there had been handled 28 cars of hogs, four of cattle, and twelve mixed loads with a loss of two cows and less than a dozen hogs, due to the shipping conditions during the shopmen's strike. The results have been highly gratifying. E. M. Phillips, county farm adviser, showed a reel of moving pictures called "Joe McGuire," a farm romance. Henry B. Roodhouse is the secretary.

**Discuss Motive Power**  
A controversy as to the relative merits of the motive power on the Alton and Burlington has been in progress for weeks between L. O. Goodrich and C. C. Withrow, employees of the interlocking plant where the two roads cross. The demonstrations favored first one side and the other until the Burlington finally did some demonstrating with some new freight engine that have been used on this division to a considerable extent. They are the 5100 class.  
The most remarkable performance of these new engines, however, was by the 5138 pulling 100 cars from Galesburg to Clyde (Chicago yards), a distance of 163 miles, without taking water enroute, passing up three regular water stations. The 5138 pulled 2,000 tons north out of the passing track at White Hall, and made the hard pull out of White Hall without making a run for it. The Burlington is receiving 32 of this type of engines. The total heating surface in one of the boilers is equivalent to a surface six feet high and 697 feet long. Each engine contains more than a mile and a half of piping and tubing. Thru the medium of a device which heats the water in the tender before it is pumped into the boiler, a saving of 12 to 14 per cent in fuel consumption is effected. Each engine will pull on a level track approximately 125 cars containing about 6,500 tons of coal. These engines are so carefully designed and so carefully proportioned that they will haul more tons of freight at a higher rate of speed, with less fuel than any other engine of the same class ever constructed.

**BOARD APPOINTS NEW HIGH SCHOOL PRINCIPAL**  
William Leslie Kaiser Appointed to Succeed B. F. Schafer at Special Meeting of Board of Education Monday Afternoon.  
At a special meeting of the Board of Education held at 4:30 o'clock Monday afternoon, William Leslie Kaiser was appointed principal of the local high school, succeeding B. F. Schafer who was recently made superintendent of the Jacksonville schools.  
The meeting was called especially for the purpose of naming a principal, twenty-five or thirty applications for the position having been filed with the board. After careful consideration of all the applications the board unanimously took the action indicated above.  
Mr. Kaiser has his A. B. degree from Wabash college, one of the strongest small colleges of the middle west. In this institution he majored in education and psychology. Since that time he has been a student at Northwestern University, where he has completed all but his thesis for his master's degree in the history department. At present he is taking two courses in the University of Chicago and two hours a week on his thesis at Northwestern.  
Mr. Kaiser's experience has been in the public schools of Indiana, first as high school principal and later as superintendent of schools. He is to enter upon his duties here December 1.

**TO LOCATE IN LOS ANGELES, CALIFORNIA**  
Miss Marie Sehy, 1206 South Clay avenue, left Monday morning for California. She will meet Miss Helen Dedan at Hannibal, Mo., and the two will make the trip from there together, stopping at Denver, Salt Lake City and San Francisco. Their destination is Los Angeles, where they expect to make their residence. Joseph Sehy, a brother of the first named, is a student at the University of Southern California in that city.

FIFTY YEARS AGO

a young man who practiced medicine in Pennsylvania became famous and was called in consultation in many towns and cities because of his success in the treatment of disease. This was Dr. Pierce, who finally made up his mind to place some of his medicines before the public, and moving to Buffalo, N. Y., put up what he called his "Favorite Prescription," and placed it with the druggists in every state.  
Dr. Pierce's Favorite Prescription has long been recognized as a tonic for diseases peculiar to womankind. After suffering pain, feeling nervous, dizzy, weak and dragged-down by weaknesses of her sex—a woman is quickly restored to health by its use. Thousands of women testify that Dr. Pierce's Favorite Prescription has entirely eradicated their distressing ailments.  
More recently that wonderful discovery of Dr. Pierce's, called An-uric (for kidneys and backache), has been successfully used by many thousands who write Dr. Pierce of the benefits received—that their backache, rheumatism, and other symptoms of uric acid deposits in joints or muscles have been completely conquered by its use.  
Send 10c to Dr. Pierce, Buffalo, N. Y., for trial pkg. of any of his remedies, or write for free medical advice.—Adv.

## Market Report

By The  
Associated  
Press

STOCK MARKET  
HAS DULL SESSION

NEW YORK, Nov. 20.—Pool  
operations in special shares com-  
bined with short covering in other  
quarters where the supply of  
stocks at current prices was ap-  
parently scarce, gave the stock  
market an appearance of strength  
during the greater part of today's  
relatively dull session.

Some sharp advances in the  
last hour were checked by a sud-  
den "short attack" on General  
Automobile which was depressed to  
40½ and then rallied to 40½ for a  
net loss on the day of 38 points.

Interest in the financial cam-  
paign was centered principally  
on the strength of foreign ex-  
changes, sterling jumping nearly  
two points to 4.49½ or less than  
2 cents below the high record  
reached last June.

Total sales were 586,100 shares.  
Call money opened and renewed  
at 4½ per cent and later advanced  
to 4½ and then to 5 where it  
closed. Time money business con-  
tinued to be done on a five per-  
cent basis with trading quiet. The  
commercial paper rate continued  
at 4½.

Total bond sales (par value)  
were \$11,906,000.

PRODUCE MARKET REVIEW  
(Prepared by Swift & Co.)

The butter market has shown a  
stronger tone during the week, bring-  
ing about an increase in country  
prices for butterfat. The Chicago  
market for standards was 32½ cents  
on August 1, and 45 cents on Novem-  
ber 16, making the market nearly 40  
per cent higher than on the earlier  
date.

The market rests on a solid foun-  
dation of broad demand from consum-  
ing trade, which has made these high  
prices possible.

It is not expected that foreign  
butter will be much of a factor in  
influencing domestic prices, unless  
the market should work higher.

Quality of butter manufacturer  
would be better if more care and at-  
tention were given to the handling  
and if there were more frequent de-  
liveries of cream.

Fresh eggs are in light supply and  
prices are working higher for really  
fine stock. Storage eggs are selling  
at better prices, but stocks are larger  
than last year.

Poultry movement, due to better  
weather conditions for marketing, has  
increased, and prices are generally  
unchanged throughout the producing  
territory.

Liberty Bonds closed: 3½s \$100.14; First

as Mustard

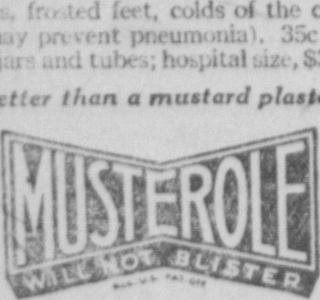

But the old-fashioned mustard  
plaster burned and blistered while it  
acted. Get the relief and help that  
mustard plasters gave, without the  
plaster and without the blister.

Musterole does it. It is a clean,

## CHAMPION SCHAEFER WINS FROM COCHRAN

Does Alternate Brilliant and Medi-  
ocre Work—Closes Game With  
Unfinished Run of 167.

New York, Nov. 20.—Jake  
Schaefer, in a game filled with  
brilliant nursing that accounted a  
lapse during the center portion of  
his string defeated Welker Cochran  
in their match tonight in the  
international 18.2 balkline cham-  
pion tournament. The champion  
when at his best produced some of  
the closest nursing seen in the  
tournament. The final score was  
500 to 333. The defeat marked  
the final appearance of Cochran in  
the tournament in which he has  
won one contest and suffered de-  
feat in four.

Schaefer closed his string with  
an unfinished cluster of 167 that  
was especially brilliant because of  
the closeness of his operations at  
the end rail. His average was  
31.4-16 and his other high runs  
150, 81 and 73.

Cochran's average was 18.15-16  
with high runs of 112, 46 and 42.  
Cochran had poor breaks at  
critical times, but on the other  
hand was outplayed.

## HOPPE SCORES ANOTHER VICTORY

NEW YORK, Nov. 20.—While  
Hoppe former champion scored  
his fourth straight victory today  
in the international 18.2 balk line  
billiard championship defeating  
Erich Hagenlacher, German star  
in a close match 500 to 462. The  
result assured Hoppe, who has  
but one more match to play, of at  
least a tie in the tournament.

Hoppe gained his victory in a  
match filled with a strange med-  
ley of poor and uncertain cueing.  
Hoppe had an average of 22.16-  
22 with high runs of 117, 92 and  
50. Cochran's average was 18.15-16  
with high runs of 112, 46 and 42.

Hagenlacher made two desper-  
ate efforts to win and but for  
wrong selection of shots might  
have done so.

His average was 22 and his  
runs 160, 86 and 67.  
It marked the German's final  
appearance in the tournament as  
he has not won a game in five  
starts.

## Walker Has Many Rivals for Title

New/Welterweight Champion Sits on Rather Unsteady Throne

MIKEY WALKER IN CIVILIAN AND FIGHTING TOGS.

### BY BILLY EVANS

How long will Mickey Walker  
hold the welterweight title?  
Some of the boxing experts are  
inclined to the belief that  
Mickey's tenure will be a short  
one.

There are a half dozen welters  
entitled to a match with Walker  
and every one of them is a dan-  
gerous contender.

George Ward and Jack Malone,  
who hold decisions over Walker,  
are more than anxious for a shot  
at the new champion. Johnny  
Karr, who has a verdict over  
Malone, is equally anxious. Then  
there is Dave Shade, the brilliant  
Californian.

### Will Uplift the Stage.

Jack Bulger, Mickey's manager  
has temporarily called a halt to  
the many challenges by an-  
nouncing to the world that Wal-  
ker would shortly go on the  
stage. It is said bookings covering  
a period of three months have

already been closed.

Walker, it is understood, isn't  
very keen for the stage stuff, but  
his manager opines otherwise,  
and of course, that settles it.

Walker is the twelfth fighter  
to hold the welter title. Walker  
by the way, is the youngest man  
that ever won the title in this  
country. Jack Britton was the  
oldest boxer to win and defend  
the honors of the division.

Britton Beat Kid Lewis.

Britton won the championship  
from "Kid" Lewis at New Or-  
leans April 24, 1916. Jack held  
the title a little more than a year,  
Lewis winning it back when he  
received the decision over Brit-  
ton at Dayton, O., June 25, 1917.

Lewis held the honors for two  
years. During that time he met  
Britton in a number of no-deci-  
sion bouts, the critics usually dis-  
agreeing as to the winner.

Britton then spang a pugilistic  
surprise by knocking out Lewis

in nine rounds at Canton, Ohio,  
March 17, 1919. Britton has held  
the title since, finally surrendering  
it to Mickey Walker on points.

Walker Is Only Twenty.

Walker is 20 years old. He has  
been fighting only three years.  
His victory over Britton came as  
a great surprise only a few  
months ago Jack had won all the  
way from clever Benny Leonard,  
until the lightweight champ com-  
mitted a foul, terminating the  
bout.

The new champion lives in  
Elizabeth, N. J., and is proud of  
it. The home folks are equally  
proud of Mickey. He lives with  
his parents and is unmarried.

Walker's ambition after leav-  
ing school was to become an  
architect. He served as an ap-  
prentice in an architect's office  
for some time, but finally passed  
it all up for a ring career. His  
specialty now is designing new  
punches instead of buildings.

## GAR WOOD YEARS FOR COMPETITION

NEW ORLEANS, La., Nov. 14.  
Good, owner of "Miss  
America" champion speed boat of  
the world, is yearning for com-  
petition. More than three years  
ago he acquired the title in En-  
glish waters. Since then he has  
had but one brush for it—that  
taking place in Detroit in Sep-  
tember, 1921. No other foreign  
challenger has since appeared and  
no American boat has approached  
the tremendous speed of the  
champion. Gar Wood therefore  
stands as the Jack Dempsey of  
boatdom without a Siki to gloom  
the horizon. Being a champion  
without opposition grows monotonous  
and Gar Wood has never  
stepped aside in encouraging a  
rival. He has exposed "Miss  
America" to competition with  
the fastest boats in America by  
entering events at Chicago, Peo-  
ria, and Detroit, where the flower  
of the country participated dur-  
ing the past season. He is con-  
tinuing the policy of thus gamely  
and playfully taunting possible  
rivals by entering the world's  
champion in the country's biggest  
events. For this reason he signed  
the fastest boat in Chicago last  
August, which was presented by  
W. H. Parham, secretary of the  
Southern Yacht club of this city,  
to appear at the midwinter regatta  
of the Mississippi Valley Pow-  
er Boat association on Lake  
Pontchartrain, February 15, to  
18, inclusive, during the Mardi  
Gras festival. "Miss America"  
will therefore again appear  
ready to race with all comers and  
will be the cynosure of all eyes,  
for the southern rim of the Uni-  
ted States has never enjoyed the  
presence of a world champion  
power boat. Should a real rival  
for the champion develop during  
the New Orleans regatta that  
boat would win the right to com-  
pete in elimination events for the  
selection of next defender of the  
America's cup.

### BILLY EVANS SAYS

What about the new rule per-  
mitting a team to make one play  
from scrimmage after scoring a  
touchdown?

Shortly after the opening of the  
football season I put that ques-  
tion to a number of the leading  
coaches. Few of them had any-  
thing good to say of the new rule.  
Some refused to express an opin-  
ion until the reform was given a  
thorough trial.

A few weeks ago I again put  
the same question to two promi-  
nent coaches in the west. Neither  
coach was of the opinion that the  
change had added anything new  
to the game, provided any thrills  
for the spectators.

"The new rule simply resolves  
itself into a kicking affair," said  
one of the coaches. "It is practi-  
cally the old play of the goal af-  
ter a touchdown with a slightly  
altered dress. The play is a  
trifle more difficult, but I don't  
feel that it has added anything  
worth while to the game."

That same week I looked over  
the scores of the big games, and  
found that most of the teams  
were missing half of their  
chances in attempting to score  
from scrimmage. That proved  
beyond a doubt that the play was  
far more difficult than the mere  
goal after touchdown.

Since coaches admit, and aver-  
ages prove, that the scoring from  
scrimmage is far more difficult  
than the old play, it is only rea-  
sonable to suppose that the play  
carries a greater thrill. The fact  
that the ball must be passed while  
the opposing team tries to break  
thru to block the ball, certainly  
makes the play far more interest-  
ing than the old stunt of merely  
kicking the ball after it had been  
placed on the ground to suit the  
kicker.

That the play has possibilities  
other than mere kicking, that it  
offers the opportunity to resort to  
strategy if willing to take a  
chance, was shown in the game  
between Lafayette and Washing-  
ton and Jefferson.

Lafayette led W. & J. 13 to 0  
at the close of the second period.  
In the last two periods W. & J.  
put on a real comeback. With  
the score standing 13 to 7 against  
them, and with only a few min-  
utes to play, W. & J. by resorting to  
a forward passing game scored  
another touchdown.

The second touchdown made  
it 13 all, as Lafayette had failed  
at a goal from placement after  
the second touchdown.

The winning of the game was put up to  
W. & J. on its ability to add an  
extra point from the scrimmage  
play. Lafayette expected a kick  
and centered itself on breaking  
thru and blocking the try.

The heavy going, it had been  
gaining hard, made it a difficult  
matter to kick accurately. It was  
here that Coach Neale's team

## Notes from the Big Ten Camps

### MINNESOTA

Minneapolis, Nov. 21.—Football  
practice continued in freezing  
temperature long after darkness  
and descended on windswept  
Northrop field today as Coach  
Spaulding drove the Minnesota  
football team into the final stages  
of its training for the Michigan  
game Saturday. Four huge Arc  
lights were used after dusk.

### NORTHWESTERN

Chicago, Nov. 20.—The North-  
western University football squad  
today went thru a long signal  
practice in preparation for its  
game with the University of Iowa  
Saturday. Most of the time was  
spent in perfecting new trick  
plays and there was no scrim-  
mage.

Mikkelsen, left guard who suf-  
fered a broken toe in the Purdue  
game will play against Iowa. It  
was announced. The only player  
now on the Purple injured list is  
Sam Taylor, right end.

A special train will carry a  
large delegation of Northwestern  
rooters to Iowa City. A 50-piece  
band will accompany the team.

### ILLINOIS

CHAMPAIGN, Ill., Nov. 20.—  
Coach Zuppke of the University of  
Illinois today put his football team  
to work at perfecting an aerial at-  
tack in the hope of defeating Ohio  
State Saturday. The Illini are ex-  
pecting the Wilceman to make an  
exceptional effort Saturday to fin-  
ish their credit.

Emil Schultz is still at fullback,  
with Chris Woodward at one of  
the halves. Robinson Happeny  
and McIlwain also set into the  
scrimmage today which lasted  
long after dark. Harold Grange  
of Wheaton, shift half back on the  
freshman varsity squad was elect-  
ed captain of the first year team  
today.

### WISCONSIN

MADISON, Wis., Nov. 20.—The  
University of Wisconsin football  
team today began a hard training  
schedule in preparation for its  
final game with Chicago Saturday.  
Tebell who was the only Wiscon-  
sin man who was injured in the  
Michigan game Saturday will take  
part in the Chicago contest it was  
announced.

crossed up the opposition. In-  
stead of trying to kick, a pretty  
forward pass sent Kopf over the  
line for the much needed point  
without the slightest opposition.

Looks as if much of the criti-  
cism of the new play was a trifle  
hasty. Perhaps it would be well  
to wait until it had a full season's  
trial.

## SOLDIER BOY EXPRESSES HIS APPRECIATION

A letter sent to Mrs. Agnes  
Deatherage in Jacksonville last  
week, from a soldier boy in Kan-  
sas City, shows the deep apprecia-  
tion which is always felt for a  
good deed. Mrs. Deatherage  
passed away during the summer  
just past, but a work of kindness  
which she did several years ago is  
still doing its bit in the world.  
During the war Mrs. Deatherage  
was actively engaged with the  
Ladies Aid of the Church of Our  
Savior in sewing on garments for  
the soldier boys, and a pair of pa-  
jamas which Mrs. Deatherage  
made, and which was shipped  
from Jacksonville in 1919, has  
just recently reached one of our  
boys. The following letter tells  
of his appreciation:

"My Dear Mrs. Deatherage: If  
you will be half as happy upon re-  
ceipt of this letter as I was when  
I was issued a suit of pajamas, I  
will be repaid a thousand times.

"You will never know how glad  
you have made a certain someone  
and I must congratulate you for  
being such a skilled seamstress.

You were very good and kind for  
thinking of us boys who have not  
the privilege of being at home and  
kind women like you can oftentimes  
make a sad heart very happy for  
I know you must be very inter-  
ested in your work. I have been  
in many hospitals and am hoping  
each day that I will soon be my-  
self again. I appreciated your  
kindness in sending the money  
which I found in the pocket of  
the suit. It was just mere luck  
that I received this suit. There  
was a mad rush for new outfit-  
and being rather above standard  
I had the advantage, as of course  
these suits are only for men, the  
little fellows must endure the  
disappointment and wear their  
gowns.

You will think that this hos-  
pital is quite out of the ordinary.  
But though it is a government  
hospital we are very glad to be  
here and receive such treatment.  
It is really the best hospital that  
I've been in and I'm quite satis-  
fied. (Especially so since I have a  
nice pair of pajamas, only to be  
taken away wash day, mixed up  
and never seen again). But I'm  
having the pleasure of wearing  
them at this time.

Thanking you very kindly  
again for your kindness, I am  
Very Truly Yours,  
Harry J. Byers.

U. S. Veterans' hospital, Kan-  
sas City, Mo.
